OBJECTIVE

Motivated B.Tech Computer Science and Engineering student aiming to apply academic learning, strengthen programming and problem-solving skills, and contribute to the development of efficient and user-centric software solutions through hands-on industry experience.

EDUCATION

B.Tech in Computer Science, APJ Abdul Kalam Technological University (KTU)	Expected 2027
Diploma in Computer Engineering, State Board of Technical Education (SBTE)	2022 - 2024
Plus two, Biology Science, Kerala Board of Public Examination(KBPE)	2020 - 2022

SKILLS

Programming	C, Java, Python
Front-End	HTML, CSS, JavaScript, Bootstrap
Back-End	MySQL, PHP, Django, PL/SQL
Soft Skills	Time Management, Problem-Solving, Teamwork & Collaboration, Attention to Detail

PROJECTS

Doctor Appointment System. Developed a web-based Doctor Appointment System enabling online patient registration, doctor scheduling, and real-time appointment booking with SMS notifications via Twilio. Built with PHP, MySQL, JavaScript, and AJAX for a responsive and efficient experience.

BMI Calculator. Developed a responsive BMI Calculator website that enables users to calculate their Body Mass Index and receive personalized food suggestions to help manage or improve their weight. Enhanced the platform with a clean user interface, real-time feedback, and an intuitive user experience.

INTERNSHIP

IPCS Global   *May 2023 - Jun 2023*

- Gained hands-on experience in Python programming, including data structures, functions, and control flow.
- Worked with NumPy and Matplotlib for data manipulation and visualization.
- Learned foundational concepts in machine learning and AI, implementing simple models using scikit-learn

EXTRACURRICULAR ACTIVITIES

- **Secretary, Computer Engineering Students Association (CESA)** – Organized workshops, events, technical sessions, and coordinated a state-level TechFest, managing competitions and logistics.
- **NSS Volunteer** – Participated in community service activities, awareness campaigns, and social initiatives.

CERTIFICATIONS

- Introduction to Machine Learning - NPTEL (Jul- Oct 2025)
- Python 3.4.3 Training - Spoken Tutorial, IIT Bombay (Sep 2025)
- PHP and MySQL Training - Spoken Tutorial,IIT Bombay (May 2025)
